

Expression of Interest

Year 10 Luna Park, Sydney Excursion

I wish for my child _____ to attend the Year 10 Luna Park, Sydney excursion on Tuesday 1st December, 2020. This excursion is intended to be the students end of year (and High School) celebrations. This proposed excursion will also be dependent upon any Government COVID19 restrictions that may be in force at the time of the excursion.

***Depending on final student numbers, the anticipated cost will be between \$70 and \$80.**

These costs include travel, staffing and an all-day ride pass at Luna Park, it does not include expenses relating to food or sideshow rides etc.

Students will have the option to purchase food during the excursion. We anticipate stopping at McDonalds, Sutton Forrest in the morning and possibly an early dinner on the way home. We note that the costs of food at these venues can be expensive, alternatively students can bring their own food, a sufficient amount for the whole day.

- I understand that if the school does not receive adequate expression of interest numbers by the due date the excursion and any further organisation will not proceed.
- Once numbers have been finalised, I understand that permission forms and full and final payment will be required by Monday 2nd November, 2020.

**Total amount to be confirmed once numbers have been finalised. No Payments are to be made at this point. This is an expression of interest only.*

- I understand that I will need to complete permission notes and medical forms that will be provided in term 3.
- I understand that my child may be excluded from attending the excursion if the school has concerns around behaviour. Families will be refunded if their child is removed from the excursion.

Please return this note to the front office by Monday August 31, 2020. Any notes received after this date will not be considered in the final numbers.
