

University of Canberra High School Kaleen

Incursion Note

Where:	Questacon at UC High School Kaleen				
Purpose:	Questacon offers hands-on, technology, innovation and design workshops. The workshops foster creative thinking and support Science education through strong links to the Australian Curriculum. Students get hands-on to make, try and refine hand-built prototypes. Each workshop immerses students in learning experiences where they can use everyday materials and tools to innovate solutions to Science problems.				
Date:	Monday 19 th October	Time:	1:30 – 3pm	Total Cost:	NIL
Staff Attending:	Lucy Hayes and Brandon Steele				
Special Requirements:	Students are required to wear school uniform.				
Meeting time and place:	Students will meet at 1:15pm at the Beta Lab.				

Dear Parents/Carers

Students in the 9/10 Extension Science and Mathematics class have been invited to participate in a Questacon workshop, to be held at UC High School Kaleen on Monday 19th October 2020.

The workshop is presented by the Questacon Science Circus and is a hands-on opportunity for students to explore, discuss and reflect on understanding of a range of scientific phenomenon through rapid prototyping in a guided inquiry learning setting.

There is no cost associated with this workshop.

If you do not wish your child to participate in this workshop, please email me at lucy.hayes@ed.act.edu.au

Kind regards

Lucy Hayes
