

Expression of Interest

Year 10 Luna Park, Sydney Excursion

I wish for my child _____ to attend the Year 10 Luna Park, Sydney excursion on Friday 18th May, 2018. This excursion has been requested by the students as a way of further building rapport and team work within the cohort.

***Depending on final student numbers, the anticipated cost will be between \$56 and \$65. These costs include travel, staffing and an all-day ride pass at Luna Park, it does not include expenses relating to food.**

Students will have the option to purchase food during the excursion. We anticipate stopping at McDonalds, Sutton Forrest in the morning and possibly an early dinner. We note that the costs of food at these venues can be more expensive, alternatively students can bring their own food, a sufficient amount for the whole day.

- I understand that if the school does not receive adequate numbers the excursion will not proceed.
- Once numbers have been finalised, I understand that permission forms and final payment will be required by Monday 14th May, 2018.

**Total amount to be confirmed once numbers have been finalised. No Payments are to be made at this point. It is an expression of interest only.*

- I understand that I will need to complete permission notes and medical forms.

**Please return this note to the front office or via email
Cameron.Major@ed.act.edu.au by Friday 23rd March, 2018.**
