Many excursions involve non-refundable advance bookings and payments. Parents/Carers need to be aware that refunds are not always available if students change their minds about attending. Students are expected to catch up on class work missed as a result of attending this excursion.

Staff accompanying students on excursions will take all reasonable care while students are in their charge to protect them from injury and to control and supervise their behaviour and activities.

Should there be any changes to your child's medical circumstances (as outlined in their enrolment medical information) please notify the teacher supervising this excursion.

Parents should be aware that staff members are not responsible for injuries or damage to property that may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

Please note: If you are experiencing financial hardship regarding this excursion, please contact the Principal to discuss payment options.

The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.

Please do not hesitate to contact me at the school if you have any questions or require any further information.
