

EXTRA CURRICULAR MUSIC @ THE UNIVERSITY OF CANBERRA HIGH SCHOOL KALEEN

Instrumental Music Program (IMP)

IMP offers a band program for concert band musicians. This includes students who have been in IMP groups in primary schools as well as opportunities for other musicians in years 7 and 8 to join the group on an instrument they may have experienced in other settings. Classes are directed by two teachers – an IMP specialist and a UCHSK teacher. Instruments and print music are provided by the IMP.

Requirements:

Practice at home; perform at school and in the community as well as participation in IMP events such as combined rehearsals with other high schools, Bandstravaganza and band festival. Attend classes consistently and catch up any work that the student may miss by being involved in IMP. Ideally, parents will support their child to practice at home and consider purchasing an instrument to support commitment. It would benefit students if parents considered additional lessons for their child.

Fees: \$220 / year

UCAN Rock

UCAN Rock runs as a tutorial model one day a week. Students are provided individual and group workshops in voice, drumming, guitar, keyboard and a range of skills relevant to contemporary music. All students join a band and develop their musicianship individually and as a group.

Requirements:

Practice at home; perform at school and in the community; attend classes consistently and catch up any work that the student may miss by being involved in the UCAN Rock Program. Ideally, parents will support their child to practice at home and consider purchasing an instrument to support commitment. It would benefit students if parents considered additional individual or group lessons for their child. Students are expected to collaborate and work respectfully with the Musician in Residence, Aron Lyon.
