### Part A. Parent/guardian agreement to opt in

I agree for my child to receive a Chromebook under the following conditions:

- The Chromebook issued to my child is for educational purposes while they are enrolled at the school.
- The Chromebook remains the property of the Australian Capital Territory (**Territory**).
- I have read and discussed with my child, the Communities Online: Acceptable use of ICT – Parents and Students Policy and Guidelines and all other policies and documents published on the ACT Education Directorate's [Policy webpage](#).
- While my child is at school, the Territory's filtering software reduces the risk of accidental access to inappropriate online content. The Territory and other people helping or working with the Territory, may monitor use of Chromebooks and may access information added to the Chromebook.
- I am responsible for my child's use of the Chromebook outside regular school hours, including supervision and ensuring healthy, safe and acceptable use.
- The Territory will not monitor my child's use of the Chromebook on my behalf.
- I will immediately notify the school if my child's Chromebook is stolen, lost or damaged and provide any evidence that the Territory asks for, such as a statutory declaration or police report. Stolen, lost or damaged Chromebooks will be remotely disabled by the Territory, so that no one can use them.
- The Territory does not have to repair or replace any Chromebook that is stolen, lost or damaged.
- I will return the Chromebook and any accessories to the school if requested, including for repair and maintenance, or when my child permanently leave the ACT public school system.
- A breach of this form, or the Acceptable use of ICT Agreement already signed by my child, including by misuse of the Chromebook, could result in removal of access to the Chromebook. Any illegal behaviour will be notified to police.

**Part B. Student agreement (if parent/ guardian opts in)**

I understand that the Chromebook is Territory property. I will:

- follow all of the policies mentioned in Part A of this form, and any instructions from my school, when using the Chromebook,
- take care of the Chromebook including by making sure that it is not lost, damaged or stolen,
- immediately report any issues to my school, and
- return the Chromebook whenever requested or when I permanently leave the ACT public school system.

If I don't use the Chromebook responsibly, my school may confiscate the Chromebook or take any other appropriate actions.
