

University of Canberra High School Kaleen

26.8.21

Dear Parents / Carers,

I hope this email finds you and your families well during this difficult period. I am writing to you today to discuss how UCHSK can continue to support and improve the At Home Learning experience for your child, should it continue longer than the initial two week period.

UCHSK students have made an impressive start to At Home Learning with teachers reporting a strong level of engagement. We are grateful for all the support we have received from parents and carers and very keen to maintain this momentum. You can continue to support us, by regularly talking to your child and asking questions about what they are learning and supporting them to develop a good daily routine. Some good suggestions around daily routines can be found on our school website [here](#).

Despite this strong start, undoubtedly the shift to At Home Learning will have resulted in a number of questions and concerns for some families. If your family is uncertain about any element of At Home Learning, you can submit your questions on this form: [UCHSK 2021 At Home Learning - Parent / Carer Questions](#). These questions will be collated and responses distributed via email as "UCHSK At Home Learning Frequently Asked Questions." This form is also an opportunity to provide us with some quick feedback on your child's At Home Learning experience thus far, including any positive feedback. Should you have any more targeted questions that require a personal response, please email these to UCHSKaleen.Information@ed.act.edu.au and attention them to me.

Our August 31st online Parent Teacher Interviews will be an excellent opportunity to discuss your child's progress for the entire term (both on site and during At Home Learning) thus far. We will also provide additional feedback outlining your child's engagement during At Home Learning (only) every fortnight. This will be in the form of a one page letter, which should be received at the end of week 8 (Friday the 3rd of September).

Kind Regards,

Daniel Mowbray
Principal
