University of Canberra
High School Kaleen

Dear Parents and Carers,

I hope this email finds you well, and that your families have enjoyed a safe and restful school holiday period.

You will have all received correspondence from the Education Directorate earlier this week, outlining plans for a safe return to on campus learning. If you did not receive this email, a copy of this information is attached. I am sure this will provoke many questions. UCHSK will be working closely with the Education Directorate in the early stages of Term 4 to further develop plans for the return of our students. Parents and carers will be provided updated information as soon as arrangements are finalised. In the meantime, parents and carers can ask questions relating to their child's *At Home Learning* on our UCHSK 2021 At Home Learning - Parent / Carer Questions form. Included in the Directorate information is a reminder that all high school aged students are now eligible for the COVID-19 vaccination and I encourage all UCHSK families to consider this option.

UCHSK students will return to *At Home Learning* in Term 4, on Tuesday the 5th of October. The school day will begin with student's regular Pastoral Care Check-in at 10am. The UCHSK Student Teacher Schedule and Class line Rotations in Term 4 remain unchanged from Term 3, and can be found on our website here.

While the current situation continues to challenge us, the UCHSK community will continue to navigate this period in a sensible, considered manner. We look forward to the return of our students to *At Home Learning* on October 5th, and even more so, to their return to on campus learning from the 25th of October, depending on the year group.

Kind Regards,

Daniel Mowbray
Principal
